“ *I met Norman for the first time in the Summer of 1993 at the Easter Seals Camp in Mt Juliet. His life was challenging but he was always kind, upbeat and a positive influence on others. We helped him go places and get things he needed but he enriched our lives with stories and a perspective on life that was like no other. My family will miss Norman but will not forget his kindness. We are excited that he is in Heaven with Gail, his mother and all of his friends and family he has missed here on Earth. I look forward to seeing him walk with Jesus.*

“ I have not seen Norman in many years but I met him while working with Adult education at the nursing home. He was one of my favorite students. He was always eager to learn and attend our class time. I know he will be missed. He was a nice man and my prayers are for his family and loved ones at this time.
