“ We met Peggy and Jerry in 1977 at Blytheville AR; they lived across the street. They were a fun loving couple who were our friends for decades. They loved their kids and were always there for them. We would visit Peggy and Jerry at their home in Lynchburg and spent a lot of time fishing at their lake and eating bowls of chili. The neatest thing they did for me besides being my friend was when I retired from the Air Force at Edwards AFB this wonderful lady and her best friend/husband were on vacation in Las Vegas and they drove several hours to be there when I retired. God has received a terrific lady and now she will be with her family in Gods Heavenly Kingdom.

“ *My deepest sympathy to the family. I never met Mrs. Peggy but knew Leesa and Shelly when they attended Motlow College. Shelly was one of our student workers in the Library. I knew Jerry when he also worked at Motlow. A really nice family. Joyce Bateman*
