Ralph could always make me feel like all was going to be ok even on days that were rough it was always wonderful to see you too even if I didn't have time to talk I no you were there. He was a wonderful Person and I don't remember one time cc*

“ Betty I am so so sorry for your loss, he seemed to be doing so much better, looked good, we were just chatting about the zero turn lawnmower last Thursday.

Jessica and I will be there for visiting, I haven't gone to a funeral since my sister passed. He will be a smiling face that will be missed at the Barrel thats for sure, always the same.

We are never prepared for what might happen, I know you have many friends and family that will make all this a little easier.

Love you,
Barb

“ I am so sorry to hear of the loss of Mr. Reese. He was a great man! My years working at Cracker Barrel would have never been the same without him picking on me every Sunday Morning. I am very blessed to have got to know him and his wonderful wife. Even the years after I quit working at Cracker Barrel I would still plan my Sunday morning breakfast early in hopes of getting to visit with them, but I guess the early bird gets the worm or breakfast in his case, because I would always miss them by about 30 mins everytime. You will be missed dearly. Prayers for your wonderful family!

Sincerely
Jess
