

Richard Danny Moorehead

April 24, 1961 - August 2, 2020

Richard D. Moorehead of Nashville, formerly of Fayetteville, passed this life on Sunday, August 2, 2020 at the age of 59. A graveside service will be held on Wednesday, August 5, 2020 at 1:00PM at Lebanon Cemetery, with Rev. James Barnes officiating.

Mr. Moorehead was the son of Robert and Faye Moorehead of Fayetteville. He is best remembered as a family man. He was very close to his family and enjoyed when everyone got together for family meals, especially when his mom made his favorite chocolate pie. His granddaughters brought him great joy, as did his fur babies, Murf and Doogie. Mr. Moorehead spent a great deal of time riding his Harley and enjoyed time spent in the mountains. He never met a stranger and made friends wherever he went.

He was preceded in death by son, Ben Jourdan.

He is survived by his parents, Robert and Faye Moorehead; wife, Lisa Moorehead; step-son, Cory Jourdan; brothers, Steve and John Moorehead; sister, Alicia Moorehead; granddaughters, Rosalyn, Gia, and Laly Jourdan; several nieces and nephews.

We ran together in the early years. It's sad we never got to ride together.

“ *My cousin, what’s there to say that anyone doesn’t already know! I am sadden that I won’t be able to be there. He will be missed and loved as he always was. Memories, there’s more than I can even express, he IS the man that anyone could be themselves around and he’d make you the center of it all. I will always remember the times I’ve had with him!*

I remember that night. We went out to eat and we had the best time. I am going to miss all the laughs we had. Love you Danno ❤️

You left us way too soon. You were always so full of life and laughter. I'm saddened that Thanksgiving was the only time i got to see you. From the time we were little kids I don't think i ever saw you without a smile on your face. We love you and will miss you always. We will keep Aunt Faye and Uncle Robert as well as Steve, John and Alicia in our thoughts and prayers. As well as Lisa and her family.

I loved Danny "mofus beenhead" like crazy. We were teenagers together, we were in band together, we worked together, we wrecked vehicles together, we went on double dates together. I lost contact with Danny in early 1981 and was just searching for him when this showed. I can only hope that Danny found the love and joy in life that he gave me all those years ago.

Thanks everyone. He loved everyone and never met a stranger. His biggest downfall but his best attribute was he wanted to help people that weren't always on the up and up. He is now @ rest.
