“ I am so sorry to hear about Robert. He always had a hand shake and a smile any time I saw him. I pray that the Lord's peace is on your family during this time of loss. I hope you know I would attend Roberts funeral if I were in the country. Robert and you guys do and have meant a great deal to our family. Even when I was a child, Robert would always make sure to shake my hand when we came out of church. You don't forget kindness. God bless you!
