“ *Bobby was two years ahead of me in high school and the best all around athlete I ever knew. He was a fierce competitor, and had a charismatic presence and confidence that made him a natural leader. And he was nice to me and treated me with kindness and respect. I am sorry for your loss. “ I have so many fond memories of Bobby. So many ballgames and goodtimes together. A great friend. At Quarterback he took us to seven wins my senior year and repeated it the next year. Was chosen to the 1970 All Midsate team. May God be with his family during this time of grief.
