“ *Still thinking of my Uncle Ron and praying for Laurent and Jean-Claude, Bedalia and family.*

*My Mom loved her big brother! He was a strong, positive force in her life - second only to their loving father. They were very different, each having their own strengths and sometimes being each other's strength. Thank you, Uncle Ron for loving my Mom and advising her when she needed you.*

*Ron was preceded in death by his much loved and loving sister, Karren. We are grieved you are both gone, but hope the reunion with all three of you is as happy as we imagine. Love always!*

*Thank you Susan, indeed, Karren and Ron were very closed. May God's light continue to shine upon them.*

*I can only remember actually seeing Ron a very few times but felt close to him as we did correspond. He appreciated family as I do. My heart hurts for his loss. Prayers for you all.*
