“ *It is with great sadness that I learn of a dear friend's passing, so young in life. Ronnie was a fellow Military Veteran who a had the pleasure of knowing over the last 12 years. He will be missed by all, his family, his friends and the entire Military Community; for he was one of those "special" people who stepped forward to serve his country unconditionally.*

For Ronnie's dear wife Susan, along with his two daughters; we wish you all of GOD'S blessings during this period of sadness, and throughout the years to come.

“ Once upon a time a family of 3 made a decision that it was time to leave their life in Lois Tn. and head to unknown territory. They packed up moved to Detroit Mi to begin a new venture. Unknown to them they would acquire a job that allowed them to add to their family a baby girl. I am that baby girl. I want all of you to know that my brother was one of the best brothers a girl could ask for. We didn't always agree on the same things, but if I ever needed my brother he was there for me. He did things for me most brothers would never do. He brought me happiness, covered for me when necessary and always made me laugh. My heart is very heavy as I say goodbye but I also know that I am blessed to have had such a crazy, fun loving brother. I will never forget him and I know that he will always be right by my side.
