“ *To the family of Sammie Mae Wells:  
I had the pleasure of meeting Ms. Sammie around late Summer of 2018. She called me her "black" friend from Atlanta. For the short period of time I knew her, I enjoyed having conversations with her. She taught me some things about marriage.*

*I will most definitely miss talking with her on the phone. I'm happy that I spoke with her on that day a couple of hours before she passed. The last words we said to each other were, "I love you."*

*May all of you be comforted with the fact that all who have received Jesus Christ by faith will see Ms. Sammie again. She most definitely believed in Christ. Therefore, may the love of God and the peace of Christ comfort each of you and bring peace to your heart.*

“ *Rexie, Tracy, Stevie & Jeffery. Im so sorry for the loss of your wonderful mama. Im so glad I was able to be in her company regularly. We became real close & talked about alot of things & had alot of laughs together. She meant alot to me & I have no doubt that she loved me, as she had no doubts that I loved her. She will always hold a special place in my heart. Just 2 short months ago, she told me that I would always be her daughter in law, & she claimed the title of being my "favorite mother in law". That made me feel so good. I love all 4 of yall & I will always be around.*
