

Savannah Jo Bearden

March 16, 2024 - March 16, 2024

Our darling Angel, Savannah Jo Bearden was never meant to live on this earth. She made her entrance into heaven on Saturday, March 16, 2024. She was preceded in death by her great grandparents, Daniel Bearden, and Ralph and Donna Kennemer. Her family has chosen cremation, and no services are being planned at this time. In a message from her mother, she wanted everyone to know that throughout the entire last year, 2023, while going through IVF treatments, it seemed everywhere she turned she saw 11:11. She saw it everywhere in every possible way. At the time she believed that God was sending them their own personal Angel baby to have here on earth. Little did they know that God had different plans for their family through her. God allowed her father, Drew and her mother, Holly to see her, hold her, and name her. Our precious little Angel baby straight from heaven. She was the most beautiful Angel you have ever seen, and we thank our God for allowing us the opportunity to meet her. Her birth date was March 16, 2024, and she preached straight to us all through her birth. John 3:16 "For God so loved the world, that he gave his only Son, that whosoever believes in him should not perish, but have eternal life. Our lives have been touched in a special way just for the few brief moments we were blessed to have Savannah here with us.
