“ *My prayers are with your family. You always made be feel right at home at all the showers and family get togethers. Those :“funny” gifts the Smith Family showers produced were always a special treat. The sweet daughter you gave so my daughter, Rachel and son, Tyler could feel at home at Moore County High. I will always treasure you in my heart. We had so many family ties. I will have fond memories of everyone and everything associated with your life here on this earth.*

“ I'm so very sorry for the family's great loss. I can picture the reunion between Shelia and Jenny and know it was nothing short of joyous & perfect and made the heartbreak she felt every single day seem so small. My thoughts & prayers will be with all of her friends and family in the coming days as they learn how to continue on without her on this Earth.
