“ Robin, Randa and all the Prater family. Delorise (Fulks) and I are so sorry to hear about the death of Silas. I have always liked him since I've known him. Sympathy to all of you. He will not only be missed by many family members and friends, but also at Camp Joy. We would love to come to the visitation and memorial service, but we think it best not to come due to all the issues of Covid. I am slowly recovering from having it and being in the hospital 5 days. All of you will be in our thoughts and prayers. Hope to see you in better days.
