

Stanley David Pierce

February 7, 1959 - September 15, 2021

Stanley David Pierce, 62, of Lynchburg went home to be with our Lord and Savior on September 15, 2021. He was the most loving and dedicated husband, daddy, papa, son, brother, uncle, and friend. The void he leaves behind is one that will never be filled.

Stanley is survived by his wife of 38 years, Pam Pierce; his daughter, Erin Pierce Hill (Jonny Hill); his two grandchildren, Emmeree and Beckham Greenway; and his sister, Pam Noles (Bill Noles). He was preceded in death by his father and mother, Glen and Ann Pierce; his brothers, Randy and Richie Pierce; and his granddaughter Lois Blake Hill.

Stanley was born on February 7, 1959 to Glen and Ann Pierce. He graduated from Moore County High School with the class of 1977. He went to work for Lynchburg Stone for years, and then on to Rogers Group. He recently retired from Rogers Group on July 2, 2021. On June 30, 1983 he married the love of his life and together they had their one and only, his little "Peewee".

Stanley loved his wife, and loved nothing more than to pick and aggravate her. He knew and appreciated her devotion to him every single day. He nicknamed his daughter, Erin, "Peewee" and they were quickly a duo you would rarely see separated. He has two grandchildren that he was just crazy over. Nothing brought him more joy than being a Daddy and Papa. It was not a job he took

lightly. He reprimanded when it was necessary, but his love for them was so evident in the way they hung on his every word. He could not talk about any of them without the biggest smile on his face. He was so, so proud. Stanley was the life of the party. There was not ever a room he walked in that didn't light up. He loved to tell jokes, and was well known for making light of any situation. He never met a stranger, and if he did, he learned them very quickly. He loved to sit and listen to it rain. He loved tending to his cows, and outside of being at home with his family, the hayfield was his favorite place to be. He has spent countless days and years making rows in a hayfield. He knew the value of a dollar, and worked hard for everything he had. He made sure his family never wanted for anything. He would have given anyone the shirt off of his back. He loved Jesus. He was strong. He was honest. He was loving. He was a giver. He was devoted. He was always early. He was the kind they just don't make anymore, and above all, he was a man's man. He touched so many people, who will never forget him. His legacy is one that will live on until the last day.

A visitation service will be held Saturday, September 18, 2021 from 9am-12pm with a funeral service immediately following at 12pm. Brother Mike Awalt will officiate. Flowers, donations, and condolences may be offered at Lynchburg Funeral Home.

“ *I did not know Mr Pierce, but when I read his obituary in the Times Gazette, I felt like I did. What a wonderful tribute and heartfelt memories that you shared. He must have lived a very full life and what a great legacy to have left. It reminded me of my Daddy and for that I am grateful. Please accept my sincere condolences and thank you for sharing your thoughts.*

“ *My husband, Dan Lewis worked many years with Stanley and they were great friends. Dan always talked about the jokes they played on each other. After retirement, Dan continued visiting and sharing meals together. May God bless you*

“ I am so sorry for your loss. Stanley will be missed by many. He was a great coworker and he always make me laugh. He would tell me you cannot spell. I said I can spell but my fingers don't work with my brain so when typed they are wrong. He was right. I misspell all the time, and I tell everyone to read between the lines.. We had talked about us retiring. I am leaving on Nov 2nd and he was helping me with what I needed to know. I will miss him greatly. RIP my friend.

“ I have Know Stanley as long as I have worked at TDOT 38 years. I always looked forward to going by the rock quarry and seeing him. He always told a joke or played a prank to keep you laughing. He always told you about his family and you could tell how proud he was of them. I am so sorry for your lost.

“ I know Stanley was the best coworker that I have worked with, for 15 years he has been my big brother if I was sad or mad he would say or tell me something just to make me laugh and change my mood, and vise versa, but You rarely seen Stanley in nothing but that goofy funny way he had. He was the kind of person if he liked you he would joke and every now and then pull pranks on you. The kind of person that would help anyone. He loved his family all the time talking about Pam (his wife) and her nicknames plus something Erin (his daughter) or them grandbabies (Emmy & Beckem) would do. Mostly something he taught them just to pick at Erin. I always told Pam I didn't know how she done it cause he was always pulling pranks on her.. lol Stanley is going to be so much missed by so many he touched a lot of people. When I first found out of his passing I told a friend that god was glad to have the one and only mold that ever broke back cause when god made Stanley he broke the mold and there wont be another like him. There will always be a void in my heart, but to be absent from the body is to be present with the lord!!
