So, so sorry for your loss. I have a lot of good memories of Steve from high school. I can remember all the teasing (calling me "Little LuLu") he gave me for being Tim's little sister. The times he spent at our house hanging out. He will not be forgotten.

Seeing Steve at LNC just days before he went to the hospital the last time was such a joy. We had a great chat about Austin and Tanner and he asked about Jim...He put up a great fight and he sure will be missed by many...none more than his wife and boys....

“ In 1970 Steve came into my life. He was a beautiful 4 year old full of life and so entertaining. Always wanting to be carried around on my hip. Loved him from the start and later he became my brother in law. Tommy and I would take him home with us to spend the night we laugh and play for hours. I pray for him and his family. Bless his wife and children for God will be with you to hold your hand and heart always.
