“ My very sincere sympathy to all of Sue's family. I grew up down the road from Sue's mother, "Miss Mamie," and her brothers John and Wallace. I knew Sue and Charles all my life and have some very fond memories of the time I spent with them. I am so sad to learn of Sue's passing. She will be truly missed by all who knew her.

“ I am writing this on behalf of my Mother, Opal Casey. I am her daughter, Shirley. My Mom has known Sue and her family most all of her life and wishes to pass on condolences to all of the family. She is truly saddened by hearing of Sue's passing. When I saw this obituary on Facebook this morning, I immediately called my Mom to let her know. My Mom will be 100 yrs young this coming May and is now living in Fla. with my brother, Kelton. All of us remember Sue and want the family to know that we care about them and grieve their loss.
