“ *Tony, We have never met, But you Made Susan a very Happy Person. Susan was actually my 3rd Cousin. My Grand Mother and her Mother Sara Neill were 1 st cousins. Being raised in Marshall County you were related to just about everyone especially in Belfast and Petersburg. My Sympathies are with you. She will be missed by many, but not as much as you will miss her! Richard Watson.*

“ Our thoughts and prayers for the family during this time of grief and loss. Susan was a part of a large group of school friends that shared many good times and memories together. I am not sure I ever remember her without a big smile and lots of tales and conversation to share. Her positive attitude and spirt were ever present. She will be missed.
