“ *Gary, Casey & Laura, I am so sorry for your loss. Its a loss for me too. Tammy & I have been friends since high school. We lost touch through the years, but found each other on facebook 9 years ago. We started having lunch dates & catching up. When she got sick, I was there to visit with her as much as I could. I havent saw her in 4 or 5 months, due to vehicle problems. I loved her too & its hurting me, because I didnt get to say goodbye & hug her one more time. I hope the lord wraps his arms around you all, in the days to come & Im keeping you all in my prayers. Im so sorry she lost her battle, but happy she is not suffering.*

“ *I can remember when I was a little girl and my sisters couldn't wait till she got home to play with us... That how I knew she would make a great friend, sister, mother and grandmother... because she was an awesome Aunt . You always focused your attention to that moment.. All thoughts moments are special memories we all have with you in them.*

“ I rode the school bus with Tammy and all her brothers going to Flintville. I always aggravated Tammy and she was so much fun to be around. My prayers go out to the family. She was such a sweet girl and will be missed by all.
