“ As a teacher of Brad and a friend to the family I would like to say that Brad was definitely one of a kind!! He had such a good demeanor and got along well with everyone! He never had a negative word to say because he was taught correctly by his family!! It was a pleasure to be around Brad each and every day!!! I know he was a bright spot in the lives of those he worked with and he will be missed by all!! We are bowed down in prayer for the Dunivan family and friends as you go through this time of grieving!! Keith Vanhooser
