“ Wanda and I were classmates at Bob Jones High School. My favorite memories of her are the good times that we had in ROTC. I also remember how kind and caring she was. Three years ago we reconnected on social media. Her love for the Lord and caring about others blessed me greatly. Go rest high upon that mountain sweet Wanda! Heaven is sweeter for your presence!

I was also a class mate of Wanda at BJHS. She may have been 4'7" but she was a ball of fun. She helped me stay grounded with my faith. We used to share lunch together and on nice day's we would eat out on the side walk she always prayed before every meal. She was kind to every one she met. You will be missed by all you have blessed in your short time here but heaven needed you more fly high my friend
