“ *I have known Willie all his life. He was pleasant to be around and he was my sister-in-law's favorite brother. I'm so sorry about his passing and I know he will be missed by all his Family and Friends. He has gone to a far better place than we are living in these days. He will get to meet Jesus and that will be glorious.*

“ *Richard, our cousin, introduced Willie to our family and we became instant friends. It was as if we had known each other forever and we looked forward to sharing meals and conversations with each other every time Willie drove thru Las Cruces. Conversations and meals continued with Willie and his family after he stopped trucking and we enjoyed every minute we spend together. Thank you Willie for adopting our family into your family. Willie, we will miss talking and visiting with you but you and your family will always hold a special place in our hearts.* ”

“Wherever a beautiful soul has been, there is a trail of beautiful memories. You and your family are in our thoughts and prayers.”
