“ I am heavy hearted today over the loss of Buddy, not for him, but for myself. He was a wonderful, kind hearted soul, who I love dearly. He was always kind to those around him. He often encouraged me when I was discouraged, and reminded me why I do the things I do. I witnessed him comfort many other people, often times when he didn't feel good himself. He was always cracking jokes to lift other people's moods. I will miss him dearly.

On the other hand, I rejoice for Buddy. He was right with the Lord and ready to leave this world behind. He is now free from all pain and heartache. I have no doubt that today, he WALKS with the angles and is truly at peace. Though he is not with me physically, he will forever live in my heart and memories. He has made an everlasting imprint in my life. I am blessed to have been able to know and care for such an amazing man.

“ My dearest friend, Buddy. We fished together, hunted arrowheads together, basically grew up together. Most said you never saw one of us without the other. The memories are all unforgettable, but my greatest memory is the one of the last few days. You never questioned, why me, but gave thanks to the Lord for the time you had. Today, my friend, you received your reward!
To the family, I'm so sorry for your loss. You all made me feel like part of the family and I love you like I did Buddy.
